

Granite City is lead by Head Coach Annika Bordak and supported by college level athletes in assistant coaching positions. At GCA we encourage a fun, safe practice environment for a wide variety of swimmers at different ability levels. We currently have athletes just starting out who can only make one length of the pool with out stopping, all the way to athletes who have placed at High School State and are now qualifying for Club Zones and Speedo Sectionals. At GCA we have a place for everyone. We are more than just a swim team, we are a swim family!

Please follow us on Facebook and Instagram (Search Granite City Aquatics) for the most up to date and accurate information about upcoming seasons—or– to just check out what the team is up too! For any questions please contact Coach Annika at granitecityaquatics@gmail.com

Who is Granite City Aquatics?

GCA is a local competitive swim program for athletes 6-19 yrs of age who have a love of swimming and a hunger to improve their skills! We focus on improving technique to help eliminate the chances of injury and to create efficiency in the water. GCA believes swimmers are like zebras; just as no two zebras are the same neither are any two athletes. We strive to help each swimmer find and support what works for them individually to succeed.

Upcoming Seasons (COVID-19 Permitted):

Spring 2021 : March 22th, 2021—May 28th, 2021

Summer 2021 : June 1st, 2021—July 30th, 2021

Registration information will be on our team website, Granitecityaquatics.com, typically one month prior to the start of each season. Prices vary season to season based on the number of weeks in each season. Prices and practice time information can also be found on our team website.

**New Swimmer Registration night for Spring is
Wednesday, March 17 at Apollo HS 5:45-6:15 pm**
